### What type of update would you like?

**Update your company's details without increasing the number of product/service codes**

Qualified suppliers may at any time during the qualification period order an additional update of their information. This update lets you update **without expanding** the company's current fee category of product / service codes.

**Update your company's details, and also increase the number of product/service codes**

Qualified suppliers may at any time during the qualification period order an additional update of their information and increase the number of product and service codes available.

**Choose below the total number of codes you wish to register within.**

Update fee = **Additional fee of NOK 1000 – NOK 4000** will be charged based on the number of additional codes.

New fee category:	<b>6-15</b> codes	<b>16-25</b> codes	<b>&gt; 25</b> codes
-------------------	-------------------	--------------------	----------------------

1. Once Sellihca has received your order, you will receive an e-mail saying that your company's questionnaire is reopened for you to update.
2. Update the questionnaire with desired changes and press send button.
3. The invoice will be sent to the contact person.
