

## In an evolving oil and gas market, we know cost reduction and supply chain efficiencies are at the top of your priorities.

---

Created by the industry, we help you standardise your supply chain and reduce costs in your procurement processes by up to 30%.

With more than 20 years' experience in this field, when it comes to helping you achieve operational efficiency, we're the name to trust.

### **Achilles FPAL is a pre-qualification service that:**

- Provides reassurance to buyers through an open and transparent supply chain
- Reduces time, resource and cost during the procurement cycle by giving access to valid data relating to over 3,000 suppliers
- Shares information about audit and assessment costs, including over 800 suppliers' audit reports
- Creates an objective track record of supplier performance through Performance Feedback

### **Achilles also guarantees:**

- A thorough validation of supplier data before it is shared with you
- The scope of the Verify assessment is carefully aligned to meet oil and gas industry standards and Achilles FPAL assessors are highly experienced and independent

### **This is the right solution for you when:**

- You work in the European Oil and Gas Sector
- You need to verify Health and Safety competency and compliance
- You consider some or all of your suppliers to be high risk

### **We offer your suppliers:**

- Competitive pricing – Tier 1 starts from £670+vat per year
- Assessment for high risk suppliers under the Verify Audit service
