

Our Quick Start Guide

Register in
4 Simple Steps

Register

Questionnaire

Validate your
information

Publish your
profile

The Achilles FPAL registration process is designed to collect and validate information about your company and the products and services you supply. We collect your information using a questionnaire. To help get you started here's a checklist of what to prepare:

Company information

Company name, address, website, tax number, registration number and copy of your company registration certificate.

List of products and services

A description of what you supply and which regions you supply.

Financial information

Annual turnover for the last 4 years and the number of staff in your company.

Certificates

Quality management, environment and health and safety.

Policies

Corporate social responsibility, environmental management, health and safety and QMS.

Contact details

Business and admin contacts.
