

**We know that nothing is more important than making sure everyone gets home safely at the end of the day.**

---

To ensure your safety standards aren't compromised you need to regularly monitor your supply chain's competency and compliance.

And with more than 25 years' experience in this field, when it comes to ensuring everyone gets home from work safely we're the name to trust.

**Achilles BuildingConfidence UK is a basic Stage 1 prequalification questionnaire that:**

- Meets the 'Deem to Satisfy' requirements of Safety Schemes in Procurement (SSIP)
- Aligns to PAS91 – the industry standard for prequalification
- Verifies other critical financial and business data as well as essential company information

**Achilles also guarantees:**

- No fees – safety is a right, not an expense
- The ability to transfer supplier data directly into your own systems
- A thorough validation of supplier data before it is shared with you

**This is the right solution for you when:**

- You need to verify Health and Safety competency and compliance
- You don't consider your suppliers high-risk
- There is no audit requirement

**We offer your suppliers:**

- Competitive pricing – a flat fee of just £295 a year
- Accreditation against the SSIP standard included in their annual fee
- Favourable terms that encourage them to switch to Achilles
- Great savings on fixed-term contracts of 3 years or more
