

BuildingConfidence

Powered by Achilles

Join the supplier management community.

The Achilles BuildingConfidence community brings together suppliers and buyers in the UK Construction sector. Through it, suppliers can showcase their abilities and demonstrate improved compliance and credibility to a huge buying market - saving time and money in the process.

Designed to meet industry and government standards, including PAS91 and Safety Schemes in Procurement (SSIP), BuildingConfidence instils the community with exactly that – confidence.

Our Achilles BuildingConfidence community helps suppliers and buyers reduce risk, streamline procurement and provide unrivalled business opportunities:

- Win new business. Promote your products or services to over 1,000 individual buyers from 20 organisations.
- Save time and cost. Use your SSIP certificate to join other member schemes under a “Deem to Satisfy” agreement and realise the benefits of one prequalification questionnaire (PQQ) for all.
- Improve credibility. Have your data checked and validated to industry standards and initiatives.
- Measure performance. Identify real business improvements through a cost-effective review of your organisation’s management systems.

Validation

We offer several methods of validation to suit all businesses, from quality-checking PAS91 and SSIP questions to face-to-face on-site audits. One of the main benefits of using Achilles BuildingConfidence is the time you save by not duplicating work - as SSIP members we honour the Deem to Satisfy agreement so you can focus on other areas of the questionnaire.
