Questionnaire

**Validate your
information**

**Publish your
profile**

You're On Your Way...

We're really pleased that you've made great progress towards getting your profile published. We want to highlight some key areas of the questionnaire that we recommend you pay close attention to – because we want to get you published as soon as possible.

Things to look out for

Address

Are the details complete and entered in the correct fields?.

Company Information

You must provide a Company Registration Number if you have one. Enter the whole number including alpha and numeric characters. Be sure to enter the correct Year of Registration. Your VAT Number must be entered (where applicable).

Contact Details

Provide a job title for each contact listed. Include a contact for both Primary Business and Achilles.

Financial

For the most recent 3 years available. Be sure to enter the correct ending Financial Year.

Environmental, Health & Safety, QMS Information

Upload current certificates (QMS certificate must be ISO/OHSAS or equivalent).

Insurances

Upload copies of all relevant current insurance certificates, be sure they apply to the policy referred to in the question and the amount of cover stated matches the amount stated in the supporting documents. Do not say 'Yes' to a type of insurance cover if you cannot upload the appropriate certificate.
