

Achilles JQS

Powered by Achilles

Join the supplier management community.

The Achilles JQS community brings together suppliers and buyers in the Nordic oil and gas sector. Through Achilles JQS, suppliers can showcase their abilities and demonstrate improved compliance and credibility to a huge buying market - saving time and money in the process.

Designed to meet industry and government standards, Achilles JQS instils the community confidence and savings.

Our Achilles JQS community helps suppliers and buyers reduce risk, streamline procurement and provide unrivalled business opportunities:

- Win new business. Promote your products or services to over 90 buying organisations.
- Save time and cost. Use your certificate with buying companies and realise the benefits of one prequalification questionnaire (PQQ) for all.
- Improve credibility. Have your data checked and validated to industry standards.
- Measure performance. Identify real business improvements through a cost-effective review of your organisation's HSE management systems.

Key Facts

Number of
buying companies

90

Number
of suppliers

3500

Become part of the community in 4 simple steps

- 1. Register**
Apply online with basic company information and details of your products.
- 2. Submit**
Provide more detailed information, including certificates and policies.
- 3. Validate**
Our qualified team will assess and validate your information and procedures.
- 4. Publish**
Become visible to all of the buyers searching for suppliers.

Validation

We validate your company information with a thorough quality checking process that suits all businesses. One of the main benefits of using Achilles JQS is the time you save by not duplicating work so you can focus on other areas of the questionnaire.
