Our Quick Start Guide

The Achilles Power & Tech Community registration process is designed to collect and validate information about your company and the products and services you supply. We collect your information using a questionnaire. To help get you started here's a checklist of what to prepare:

- Company information**
Company name, address, website, tax number, registration number and copy of your company registration certificate
- Company Certificates**
Insurance, quality management, health and safety and environment (where available)
- List of products and services**
A description of what you supply and which regions you supply
- Policies**
Corporate social responsibility, environmental management and carbon management
- Financial information**
Up to date accounts covering the last 1-3 years, including shareholder details
- Contact details**
Business and admin contacts
