

Join the supplier management community.

The Achilles Services community brings together suppliers and buyers in the global services sector. Through it, suppliers can showcase their abilities and demonstrate improved compliance and credibility to a worldwide buying market - saving time and money in the process.

Our Achilles Services community helps suppliers and buyers reduce risk, streamline procurement and provide unrivalled business opportunities:

- Win new business. Promote your products or services to all member buyers.
 - Save time and cost. Upload and manage your information in one central location and realise the benefits of a single prequalification questionnaire.
 - Improve credibility. Have your data checked and validated to industry standards and initiatives.
 - Measure performance. Identify real business improvements through a cost-effective review of your organisation's management systems.
-

Become part of the community in 4 simple steps

1. Register

Apply online with basic company information and details of your products.

2. Submit

Provide more detailed information, including certificates and policies.

3. Validate

Our qualified team will assess and validate your information.

4. Publish

Become visible to all of the buyers searching for suppliers.

Validation

We offer several methods of validation to suit all businesses, from quality-checking questions to face-to-face on-site audits. One of the main benefits of using Achilles Services is the time you save by not duplicating work – your validated information is visible to all community buyers.
