

# Responsible Sourcing

Powered by Achilles

## Join the supplier management community.

The Achilles Responsible Sourcing community brings together suppliers and buyers in all sectors who want a clear understanding of their responsible sourcing credentials, and the opportunity to improve on them. Through it, suppliers can demonstrate their compliance and credibility to a worldwide buying market.

Our Achilles Responsible Sourcing community helps suppliers and buyers who are looking to implement or build on their responsible sourcing credentials by:

- Providing an objective third party assessment of your responsible sourcing practices.
  - Saving time and cost. Upload and manage your information in one central location.
  - Providing the opportunity to benchmark yourself against similar organisations in the community.
  - Align your organisation with the responsible sourcing requirements of your customers and demonstrate your compliance.
-

# Become part of the community in 4 simple steps

## 1. Register

Apply online with basic company information and details of your products.

## 2. Submit

Provide more detailed information, including certificates and policies.

## 3. Validate

Our qualified team will assess and validate your information.

## 4. Publish

Become visible to all of the buyers searching for suppliers.

## Validation

We offer several methods of validation to suit all businesses, from quality-checking questions to face-to-face on-site audits. One of the main benefits of using Achilles Responsible Sourcing is the time you save by not duplicating work – your validated information is visible to all community buyers.
