

BuildingConfidence

Powered by Achilles

Connecting the best in the Industry.

The Achilles BuildingConfidence community bring together suppliers and buyers in the UK Construction sector. Through it, suppliers can showcase their abilities and demonstrate improved compliance and credibility to a huge buying market - saving time and money in the process.

Aligned to PAS91 and Certified to provide industry standards such as SSiP and the Build UK Common Assessment Standard (CAS), BuildingConfidence helps suppliers and buyers reduce risk, streamline procurement and build relationships along with the following:

- **Win new business.** Promote products or services to hundreds of individual buyers.
- **Save time and cost.** Use SSIP or CAS Certifications to bypass other 3rd party accreditations.
- **Improve credibility.** Data checked and validated to industry standards and initiatives along with verification of critical financial and business data and essential company information.
- **Measure performance.** Identify real business improvements through a cost-effective review of organisation's management systems.
- **Improve supply chain competency.** Regular monitoring of supply chain competency and compliance to ensure safety standards aren't compromised.
- **Realise Value.** Our Achilles Rewards programme provides greater value from your Achilles membership through a range of substantial discounts ranging from cyber security to training and business services.

Become part of the community in 5 simple steps

1. Register

Provide basic company information and details of your products.

2. Submit

Provide additional information, including certificates and policies.

3. Validate

Our qualified team will assess and validate your information and procedures.

4. Publish

Your profile will be visible to all Buyers in the community.

5. Audit

Common Assessment Standard (CAS) site.

Fully aligned to CAS & SSiP

We are proud to work with SSiP and Build UK to provide two industry certifications designed to standardise prequalification and drive efficiencies.

Product	Certifications	Turnover banding	Cost
